

What cookies Swift Tailored Solutions Ltd uses and why

Cookies are small text files, which often include a unique identifier that is sent by a web server to your computer, mobile phone or any other internet enabled device (“device”) when you visit a website. Cookies are widely used in order to make websites work efficiently and help provide us with business and marketing information to enable us to make informed decisions on the development of our websites.

Types of cookies:

Essential - Necessary cookies help make a website usable by enabling basic functions like page navigation and access to secure areas of the website. The website cannot function properly without these cookies.

Performance - Performance cookies help owners understand how the website is used by visitors. This information can then be used to improve the way the website works.

Preference - Preference cookies enable a website to remember information that changes the way the website behaves or looks, like your preferred language or the region that you are in.

Statistics - Statistic cookies help website owners to understand how visitors interact with websites by collecting and reporting information anonymously.

Marketing - Marketing cookies are used to track visitors across websites. The intention is to display ads that are relevant and engaging for the individual user and thereby more valuable for publishers and third-party advertisers.
